

2015 Annual Impact Report
Impacting the Community for 28 Years

**WINONA
COMMUNITY
FOUNDATION**

One vision. Many paths.

Message from the Executive Director

As I write this letter for the 2015 Annual Report, I cannot help but reflect upon my time working with the Winona Community Foundation. I often feel that my job is an ongoing research project. At least weekly, sometimes daily, I encounter questions that require delving into old records, calling on our counsel, or asking my colleagues at other community foundations for advice. Every answer learned is a springboard for the next mystery, that I enjoy solving each and every day. I have been very fortunate in becoming more involved with community foundations across Minnesota that pull together and support each other, keeping us all updated with any changes in our state governing policies.

The Foundation continues to support our local non-profits by awarding community grants, always welcoming non-profits with fresh ideas to contact the office to start the very easy application process. Our first community grant awarded in 1987, the year the foundation was founded, totaled \$2,000. As you review the highlights in this latest annual report, you will surely be proud of what YOUR local community foundation contributes to our area. Over the past 13 years on average \$1.5 million per year supports the non-profit. This would not have been accomplished without donor-advised funds that so impressively support our community and beyond.

Thank you to the Board of Directors who make these accomplishments possible because of their professionalism to our mission. With this strong community presence, our Foundation has secured a sense of permanence in our community. While we collaborate with our partners and make progress in many areas, we also face many ongoing challenges. We believe your donations to the Foundation is the best investment you can make toward improving and enhancing life in Winona. With the energy of the volunteers, and donors, I am assured of the philanthropy in our home town. We ask for your continued support as we work towards addressing our greatest needs.

Thank you for investing in the Winona Community Foundation's future.

Jeni Arnold
Executive Director

Community of Champions

May 13th, 2015 the Foundation welcomed guests to a community of champions' event. Refreshment and appetizers were enjoyed with a short program from Jeni Arnold highlighting current events of the foundation. Other speakers included Sandra Burke reporting on how the foundation supports the Winona Volunteer services through emergency and dental services funds. Both funds provide assistance to community members in need. Jennifer Knapp Severson from Libera Knapp also provided direction in estate planning.

Vision & Mission

Inspired by the area's rich tradition of generosity, the Winona Community Foundation strengthens our community through philanthropy.

VISION STATEMENT

The Winona Community Foundation will foster a healthy, dynamic community where all people have the opportunity to enhance the quality of their lives and the lives of others.

MISSION STATEMENT

The Winona Community Foundation improves the quality of life in the Winona area by:

- Educating the public about the practice of philanthropy and its benefits both to donors and to the community
- Connecting people with charitable intent and resources with organizations and causes that can advance the public good
- Gathering, preserving and stewarding philanthropic resources
- Collaborating with other charitable organizations
- Serving as a catalyst for selected community initiatives
- Making grants to projects and causes that address both the needs and the opportunities present in the community

Dear Friends of the Winona Community Foundation,

I am honored to have served as chair of the Winona Community Foundation Board of Directors for the past two years and as a member of the Board for seven years. The Foundation is aligned with its mission through the work of a competent and dedicated Staff, a well informed and competent Board of Directors, as well a community which embraces the concept of meaningful philanthropy. This year's goals have been accomplished through ambitious committee work as well as collaboration with various community organizations, both non-profit and for profit entities. It is important that our donors feel invested in the Foundation as this occurs in building relational pathways between donors and those who are served. As the needs of families, schools, and healthcare address their changing priorities, it is imperative that the Foundation stay abreast of what it is needed throughout the community.

The health of any community foundation is enriched by a sense of generosity that becomes sustainable through uncertain times by meticulous efforts in monitoring investments, researching community needs, and recognizing the individual donor's priorities. It becomes imperative that we continually seek ways in which the Foundation can be more visible to a society that spans the ages and stages of philanthropy, as donors become more informed and invested in their giving.

In 2016 we welcomed three new board members: Eric Bartelson, Bob Deter, and Nancy Wilgren and recognized retiring board members, Gary Watts and Tom Wynn for their years of dedicated service. Ready Set School became a Fiscal Sponsor during the year while the grants committee approved 98% of the applications that were received.

On behalf of the entire board of directors I am confident in the work of the Foundation as it strives to improve the quality of life throughout the Winona community.

Sincerely,
Judy Davis
2015 Chairperson, WCF Board

The Winona Community Foundation Board makes grants from our General Fund in various ways throughout the year. This Community granting is done through a competitive process with awards going to area non-profit organizations for projects meeting community needs. Applications are reviewed based on established criteria, by our volunteer Grants Committee. Other granting from this pool of assets (General Fund) is through our Winona Fund, which awards modest grants responding to current community unforeseen needs that may not fit within the competitive granting process.

BECOME A MEMBER OF THE LEGACY SOCIETY

The Winona DAC can't thank the Winona Community Foundation enough for their continued support. Two years ago we received a grant from the Winona Community Foundation that allowed us to completely fence in our backyard, making the space a quiet all inclusive area for DAC clients to enjoy. The fenced in backyard also allowed the DAC to install raised garden beds, a basketball hoop and new seating areas for DAC clients to enjoy. This past fall the Winona Community Foundation came through again for the DAC with a grant for automatic door openers for the back doors. The new automatic doors allow greater access to the backyard and allow DAC clients accessing it more independence in using the backyard.

Maximize tax benefits

Document your wishes, plan your legacy

Demonstrate your philanthropy & be part of the solution by creating long-lasting, positive change

Ensure that WCF has a secure basis of funding for the years ahead

Have an impact now and don't know where to start

Donors interested in starting a fund should meet with the Winona Community Foundation staff to review specific details, which will then go to the Foundation's Board for approval. The staff will be happy to discuss types of funds with anyone interested. Start now on your way to being a Philanthropist.

STARTING MADE EASY & PAINLESS

Starting a Seed Fund can be an individual or family endeavor. The paperwork is quick and easy.

- Gifts to a Seed Fund account can be made using cash, credit card, stocks or mutual funds
- A minimum of \$500 is required to open a Seed Fund
- A minimum annual contribution commitment of at least \$250 is requested, \$500 suggested, until the fund reaches \$5,000, with the target of reaching this ten (10) years from the date of opening the Seed Fund
- Gifts are tax-deductible
- Once the \$5,000 mark is reached, the fund may be endowed or noted as a pass-through fund that can operate as one of several different types such as donor advised, designated, field of interest or scholarship fund. The possibilities are limitless!

The normal start-up fee is waived when the fund reaches a full size of \$5,000 for being a component fund of the Foundation.

FOUNDERS FUND

The Founders Fund was created to honor all of the individuals who planted the seed for the start of Winona Community Foundation in the 1980s. This endowed fund awards dollars to a local non-profit chosen in the name of an individual or organization who has clearly touched community life for all time. Past recipients of this award include:

Louis De Thomas, Saint Mary's University, Past President

Dr. Darrell Krueger, Winona State University, Past President

Ms. Gloria Ames, Community Volunteer

Tim Burchill, Past Development Program at Saint Mary's University of Minnesota

Sue Cornwell, Community Leader & First President of WCF

The Winona Hims

Patte Peterson, Past Board Member of Winona Community Foundation

Planned Giving

Everyone should have an estate plan to ensure that their hard-earned assets reach loved ones and organizations held dear. Part of planning your estate intelligently may include maximizing the taxes you save by increasing the dollars you give. Proper estate planning could reduce or potentially eliminate estate taxes through planned giving.

If your estate is quite large and contains highly appreciated property, it may be possible to gift to charity while passing more to your heirs than otherwise would be possible without the charitable gift.

Giving strategies may span the range from simple to very complex. They may include giving during one's lifetime, by bequest, or both. This article will focus on giving after death.

Effective estate planning usually takes time, effort and a good attorney. Proper planning allows your family to avoid the delay, dissension and needless expense that often occurs when a loved one dies intestate. Also, I recommend that you talk with your family about what your intentions are and why you made the choices you have made, thereby potentially minimizing disputes and/or disappointment after you pass.

PLANNED GIVING - WHAT IS IT?

A "planned gift" is a gift that will be distributed at some point in the future. The easiest way to make a planned gift is by designating the charitable organization as a beneficiary in your Last Will and Testament or in your Trust. The charitable organization can also be named as a beneficiary of a life insurance policy, annuity contract, or retirement account.

AVOID TAXES

Making a charity the beneficiary of your Traditional IRA, 401(k) or other qualified plan allows you to forego income and estate tax levied on these plans on the Federal and State levels. This means that, in most situations, your donation is worth more to the charity than to your heirs.

BE SMART

Typically it is smart to give the most-taxed asset in your estate to charity and leave the more favorably taxed property to your heirs. Making a planned gift ensures that when you are gone, your resources will keep giving to the future of that charity.

CURRENT LIMITS

The Estate Tax Exemptions are \$1,200,000 in Minnesota and \$5,340,000 Federally. This means that you can pass up to \$1,000,000 Estate Tax free to the person or place of your choosing.

Community General Fund Donors

The Foundation's Community General Fund is the resource from which grants are allocated to organizations in the Winona area. Competitive grant applications are submitted and funding is based on a set of granting guidelines and criteria.
